

An abstract geometric graphic is located on the left side of the page. It consists of several overlapping triangles in shades of red, purple, and orange. The largest triangle is red and points towards the top left. A purple triangle is nested within it, pointing towards the bottom left. A smaller orange triangle is at the bottom right of the purple triangle, and a red triangle is at the bottom left of the purple triangle.

Gone are the days when people would sit in front of a desktop to go to the Net. Today, they whip their smart-phone out of their pockets, if your website is not mobile friendly, you could be losing a lot. The search engines won't work right, the navigation becomes irritating and your site is annoyingly slow—your customer will feel put off. And it affects your business.

Cloud Business Pages world class product. Cloud Business Pages will catapult your present site to a dynamic, interactive and responsive site.

Cloud Business Pages provide the ideal viewing experience, easy reading and navigation with a minimum of re-sizing, panning and scrolling across a wide range of devices (From desktop computer monitors to mobile phones and tablets).

Cloud Business Pages is a full-fledged software, it's optimized for web commerce — you don't have to look elsewhere for anything that is not included. Cloud Business Pages CMS: Content manager allows you to maintain the site with latest information, the site contents can be updated using simple web interface. No technical or programming knowledge is required to use this software; basic computer knowledge like Word/Excel is enough to maintain the site.

Cloud Business Pages with its very short learning curve) is easy to master. There is nothing complicating about it. There is absolutely no need to have any programming knowledge — with just a rudimentary acquaintance with the keyboard, you can maintain and manage your site. Cloud Business Pages has a highly intuitive interface. You don't have to depend anymore on your web designer to manage your content — your secretary or anyone else in your company can update your site. (Or, you could retain the master key, and opt for outsourcing, as well.

You can easily edit your pages — add or delete texts, images, animations and tables with complete control over properties like font, color and other attributes. And, you have access to the built-in spell-checker and dictionary, too.

Cloud Business Pages can integrate your site with several exclusive plug-ins which enable the day to day administration of your site and make online real-time business transactions possible.

Cloud Business Pages will process information from every part of the organization; it will analyze any type of transaction, and provide the managers with the crucial business information, with great precision and incredible speed. Cloud Business Pages can be integrated with core centralized ERP (like iBusiness Suite) which uses the browser as the user interface. This makes the website synchronize with real-time business process.

Cloud Business Pages comes in three versions

- ▶ SE, essentially for small enterprises
- ▶ ME, for medium enterprises
- ▶ CE, for the corporate world.

Cloud Business Pages Plugins

- ▶ Cloud Business Pages CMS
- ▶ Cloud Business Pages Cart
- ▶ Cloud Business Pages Reserve
- ▶ Cloud Business Pages Subscribe
- ▶ Cloud Business Pages Catalogue
- ▶ Cloud Business Pages Gallery
- ▶ Cloud Business Pages Bills
- ▶ Cloud Business Pages Live
- ▶ Cloud Business Pages SMS
- ▶ Cloud Business Pages Chat
- ▶ Cloud Business Pages Share Discussion forum
- ▶ Cloud Business Pages Community Portal
- ▶ Cloud Business Pages Surveys
- ▶ Cloud Business Pages - Payment Gateway Services
